Ms. Nishida –

I hope this email finds you well. I am writing on behalf of Teck Resources to request a meeting with you and your colleagues for either Jan 29 or 30 to provide an update on transboundary mining issues between British Columbia and Montana. Specifically, Teck would like the opportunity to brief you and your colleagues regarding the West Line Creek facility and the Koocanusa Reservoir more generally.

We would like to work to understand any relevant background from the EPA's perspective and provide any answers from Teck's viewpoint that would be helpful.

The Teck team will be in Washington, D.C., on January 29 and 30. The representatives from Teck will be:

- Trevor Hall – General Counsel
- Meera Bawa – Manager of Regulatory Affairs

Our availability is as follows:

Jan 29: 9am-11am, 4pm-6pm

Jan 30: 9am-10am, 12pm-1pm

Please let me know if you or any of your colleagues would have any availability on either date. Thank you for your consideration.

Best,

---
